

## Resounding Joy

136 bpm

Who is this they found in a manger  
When the angels appeared to man  
This child they call "the Lamb"  
Promised One foretold to the nations  
He created the world with his hands  
He lived like any man

So why is there an angel?  
Why a star where he stands?  
And why is there a virgin  
Holding heaven in her hands?

### *chorus 1*

Skies are filled with the sound of praise  
Angels sing of his glorious name  
Stand in awe of his wondrous ways  
He is come with songs of resounding joy

Shepherds kneeling down at the cradle  
Celebrating the first Noel  
This child, Emmanuel  
He is with us now and forever  
Whosoever will treasure Him  
Shall live and live again

Mary, do these wise men  
Come to praise just a man?  
The silent Word has spoken  
More than this world understands
